

October 2020

Dear Parent/Carer

I am sure that the choice of secondary school for your child is very much in your thoughts, and as a parent myself, I know what a big decision this is.

Unfortunately, because of the current restrictions and guidance with regard to COVID-19, we are unable to hold our usual Year 7 Open Evening or conduct individual tours. Whilst we are currently unable to welcome you personally into our school, we will still do our very best to give you all the information and advice that you need to help you make your decision. As part of this process, we would like to invite you to our "Virtual Open Evening", which will be available on our website from Wednesday 7th October at www.litchamschool.net.

The Virtual Open Evening will include Headteacher and Head of Year presentations, a welcome from our pupils, and a virtual tour giving information about subjects. This is an opportunity for you to virtually see the secondary phase of the school, meet our staff and, of course, our fantastic pupils. You will also be able to find out how the school consistently secures strong GCSE outcomes, placing us amongst the best schools across the region, and why we are consistently oversubscribed.

If you would like any further information, or have any questions about your child's transfer to Litcham School Secondary Phase, please do not hesitate to contact Rhonda Taylor-Balls, Headteacher's PA (taylor-balls_r@litchamschool.net - direct line 01328 702005), who will be very happy to assist you.

Yours sincerely

Robert Martlew
Headteacher
