## Equality Policy

### Introduction

This policy sets out Litcham School's approach to promoting equality, as defined within the Equality Act (2010). It covers age\*, sex, race, disability, religion or belief, sexual orientation, pregnancy, undergoing or who have undergone gender reassignment and our approach to community cohesion. In addition to this The School has a Single Equality Scheme which is regularly monitored and reviewed.

### The School Context

Litcham School is a rural all-through school with a smaller than average Secondary and Primary Phase. Pupils and students arrive at both phases with lower attainment than national figures. Litcham has low numbers of ethnic and minority group children and lower than average deprivation. There are high numbers of children with SEND.

### Aims and Values

The school aims to provide equality and excellence for all in order to promote the highest possible standards.

The core values on which the policy is based include:

- a culture of respect for others
- promoting equality by recognising and celebrating differences between people
- a community where pupils are well prepared for life in a diverse society

### The School's overall approach to promoting Equality

The school's Equality Policy provides a framework to pursue its equality duties to have due regard to:

- eliminate unlawful discrimination, harassment and victimisation

---

\* (NB 'age' is also a protected characteristic but not in relation to pupils of any age in a school)

- advance equality of opportunity between people who share a protected characteristic and people who do not share it
- foster good relations and positive attitudes between all characteristics and different groups in all of its activities

Through the Equality Policy, the school will seek to ensure that no pupils, staff, parents, guardians or carers or any other person through their contact with the school receives less favourable treatment. This includes the protected characteristics identified within the Equality Act (2010) i.e. age, sex, race, disability, religion or belief, sexual orientation, pregnancy, undergoing or who have undergone gender reassignment.

### **A Cohesive Community**

The school seeks to:

- promote understanding and engagement between communities
- encourage all children and families to feel part of the wider community
- understand and respond to the needs and hopes of all our communities
- tackle discrimination
- increase life opportunities for all
